

If you can see it on your PC it'll look even better on your TV. Wirelessly stream HD quality images and videos to your TV. No delays, no hassles. Your possibilities are endless. Watch TV, Facebook<sup>®</sup>, surf YouTube<sup>®</sup> or share photos.

- **New Standard in Wireless HD:** You'll wonder how you ever lived without it. HP's Wireless TV Connect streams breathtaking high definition 1080p content straight from your computer to the biggest screen in your home. No wires, no hassle. No lag time and no lip sync issues. Just sit back and THE highest Blu-Ray quality HD movies and images.
- **In-home 3D thrills:** Images so realistic and captivating, you can almost reach out and touch them. HP's Wireless TV Connect brings the 3D<sup>(4)</sup> theater experience directly into your living room. It's the ultimate in entertainment right from the comfort of your own couch.
- **5 minute set up:** How easy is this? Take the HP Wireless TV Connect out of the box. Plug it in. Now, you're ready to stream content. That's all it takes. No software to install and no complicated instructions to figure out. Just a trouble-free, one-time installation.
- **Your total entertainment hub:** Just think of it this way: if you can play it on your PC, you can view it on your TV.<sup>(1)</sup> Yes! Watch movies, play games, share photos, update Facebook<sup>®</sup>, view on demand shows and even laugh at YouTube<sup>®</sup>. HP's Wireless TV Connect makes it simple and easy to play multi-media content from one central location- your PC.
- **Big screen sharing:** Tired of jockeying for position to see what's happening? Well, sit back and get comfortable. With HP's Wireless TV Connect, there's no more crowding around your PC. Now, everyone in the room sees a full, brilliant picture on the biggest screen in your home- the TV, external monitor or even projector.<sup>(1)</sup>
